## NEEDED – RECYCLED MILK BAGS:

the colorful outer bags which hold the three smaller clear bags inside. These recycled bags are being used to make bed mats for Haiti. They provide an alternative to sleeping on the damp ground and protect them from biting insects and cuts from leaves/reeds. To learn more, go to [www.recyclemilkbags.pbworks.com](http://www.recyclemilkbags.pbworks.com). You may also talk to Elinor Russell (521-6309) who is one of our parishioners involved in this project. You may bring the bags you save to the church office.

**Thank you to all those who have been faithfully bringing in these milk bags.**

## WISH LIST

We are looking for a gently used living room couch and chair for our upstairs sitting room. We can arrange to have it picked up. If you can help, please call the office – 232-5347.

**SUPPORT A STUDENT** – Opportunity for charitable giving

Sad but true, there are now 7 students (male and female) ages 16 to 18, in our community forced to live in shelters because of various reasons. They are serious students and trying to finish

their high school with no parental support. If you could see your way to providing a monthly donation, it would go far to help these students. To date **people have been very generous** and most people have made cash donations **which we are able to receipt.** These donations have been forwarded to the Chaplain and he is looking after the purchase and distribution of gift cards (Loblaws & Independent). As noted above, this is an ongoing endeavour.
