SCRIPTURE STUDY

Canadian Martyrs and St. Joseph's parishes present the Little Rock Scripture Study program once again in 2011-2012 after a successful 2010-2011. We will meet Thursday evenings 7:30-9:00pm. The sessions are:

The Gospel According to Mark – Sept 22- Nov 24 at Canadian Martyrs (Advent begins Nov 27 and we move into Year B in which the Sunday Gospel readings are from Mark)

Paul's Letters from Prison – Philippians, Colossians, Ephesians, Jan 12 – Mar 22 at St. Joseph's (with a break on Feb 23, the day after Ash Wednesday)

Exodus – Apr. 26 – June 28; location to be determined

Participants receive a copy of the Scripture being studied, along with a commentary written by a specialist and a study guide designed to promote discussion. Each evening consists of prayer, discussion of the questions in the study guide and a video lecture by an expert, plus a social time and snack.

To meet the cost of materials, we suggest an offering of \$25. for each 10-week session at the start of the session, if you are able.(\$30. If you sign up after July 8 and we have to pay a second batch of shipping charges). Please register, leaving your name, telephone number and (if possible) e-mail

WHY DOES THE NEW MASS SOUND SO DIFFERENT?

When the Church decided to translate the New Latin Missal into English, the most up date translation methods were used. Experts in Latin, liturgy, English, poetry, music and translation, as well as many other disciplines were all consulted in order to produce the best translation possible. The previous translation tried to keep the sense of the words in English but it was not trying to be as literally accurate as possible. After thirty years of experience with the current translation we saw that we had lost some important content by loosely paraphrasing the Latin prayers into English. We also noticed how we had compromised the Roman-Latin style of the prayers. The New Missal; has the most accurate translation of the Latin prayers and it is closest to what the Church prayed for centuries. Sometimes the translators had to use words or phrases that sound more formal or “old fashioned” to translate the Latin words and ideas into English because that was the most accurate way to keep the original meaning. But almost all of the translations were able to balance a good, accurate translation with simple and dignified language and a Roman “style” of prayer that help us to remember that we are speaking to God who is deserving of all of our love and respect.
